

EC Declaration of Conformity

We, Eaton Electrical, herewith declare that our 22.5 mm (**E22 and EM22**) Pushbutton product line consisting of:

Contact blocks, indicating lights, mechanical operators, and enclosures
Catalog Numbers (prefix designation):

E22...
EM22...

to which this declaration relates are in conformity with the provisions of the following EC Directive(s) when installed in accordance with the installation instructions contained in the product documentation:

73/23/EEC - Low Voltage Directive as amended by 93/68/EEC

Compliance with the above listed EC Directive(s) has been verified by the application of the following harmonized standards:

EN 60947-5-1 : 2004-06 Control-Circuit Devices and Switching Elements –
Electromechanical Control Circuit Devices

The “CE” marking was initially affixed in the year 1992.
This declaration is issued from the location shown above on July 1, 2006.
