

EC Declaration of Conformity

We, Eaton Electrical, herewith declare that our **E26** Stacklight product line consisting of:

Modular light units and audible alarms
Catalog Numbers (prefix designation):

E26...

to which this declaration relates are in conformity with the provisions of the following EC Directive(s) when installed in accordance with the installation instructions contained in the product documentation:

73/23/EEC - Low Voltage Directive as amended by 93/68/EEC

Compliance with the above listed EC Directive(s) has been verified by the application of the following harmonized standards:

EN 60947-5-1: 1997 –11 Control-Circuit Devices and Switching Elements –
Electromechanical Control Circuit Devices

89/336/EEC – EMC Directive as amended by 92/31/EEC and 93/68/EEC

Compliance with the above listed EC Directive(s) has been verified by the application of the following harmonized standard:

EN 50081-2: 1993 – 08 “EMC Generic Emission Standard – Industrial Environment”
EN 55011: 1991 “Class B ISM Equipment, Industrial, Scientific, Medical”
EN 50082-2 :1995 – 03 “EMC Generic Immunity Standard – Industrial Environment”

The “CE” marking was initially affixed in the year 1997.

This declaration is issued from the location shown above on July 1, 2006.
