

EC Declaration of Conformity

Marathon Electric, a Regal Beloit Company, 100 East Randolph St., P.O. Box 8003, Wausau, WI 54402

Is committed to providing customers with products that comply with applicable regulations and international protocols to which they are subject, including the requirements of the European Parliament Directive on the Harmonization of the laws relating to electrical equipment designed for use within certain voltage limits (2006/95/EC).

Marathon Electric declares that the following product(s), to which this declaration relates, is in conformity with the relevant sections of the EC standards listed below.

This statement supersedes any statements previously issued pertaining to the product(s) listed below and is subject to change without notice.

Model No: 056T34F5940, 143TTFR5642, 145TTFR6078, 143TTFR5582, 145TTFR6033, 182TTFR6076, 145TTFR3002, 145TTFR6035, 184TTFR6076, 182TTFR6001, 182TTFW6026, 213TTFW6076, 184TTFW6001, 184TTFW6026, 215TTFW6076, 213TTFW6001, 213TTFW6026, 215TTFW6001, 215TTFW6026.

Catalog No: E2000, E2001, E2002, E2003, E2004, E2005, E20006, E2007, E2008, E2009, E2010, E2011, E2012, E2013, E2014, E2015, E2016, E2018, E2019.

Directives:

Low Voltage Directive 2006/95/EC

Harmonized Standards Used:

EN60034-1 (IEC60034-1)

EN60034-5 (IEC60034-5)

Authorized Representative:

Harald Blaettner
