IMPORTANT - BEFORE USING THIS SOFTWARE YOU SHOULD CAREFULLY READ THIS AGREEMENT

The enclosed **CLICK Programming** computer software (the "**Software**") is the property of **AutomationDirect.com, Inc**., or its suppliers. Before installing, copying, downloading, accessing or otherwise using this package, carefully read this **Agreement**. If you do not accept the terms and conditions of this **Agreement**, you should return the enclosed **Software** and any accompanying items (including any manuals, release notes, binders, etc.), unopened, to **AutomationDirect.com** for a full refund.

1. **LICENSE**. Subject to the terms and conditions of this **Agreement**, when you install this software, **AutomationDirect.com** grants you and you accept a non-exclusive license to use the following **Software** which you obtained from **AutomationDirect.com**. The particular **Software** you have acquired and the type of license is specified in your purchase order as part of the part number for the item. The following applies to each type of **Software** product and license:

   CLICK Programming Software User License

   If you have acquired a license for the **CLICK Programming Software** you may use one copy of the **software** product on any single computer, provided the **Software** is in use on only one computer at any time. If you have multiple licenses for the **CLICK Programming Software**, then you may use the product on a number of computers equal to the number of licenses you have obtained for the product. The **Software** is deemed "**in use**" on a computer when it is loaded into the temporary memory (i.e., RAM) or installed into the permanent memory (i.e., hard disk, CD-ROM or other storage device) of that computer, except that a copy may be installed on a network server for the sole purpose of distribution to other computers for which you have obtained a license for the product and that are not currently "**in use**". You must have a reasonable mechanism or process in place to ensure that the number of computers using the **CLICK Programming Software** concurrently does not exceed the number of licenses, and obtain any required additional licenses from **AutomationDirect.com**. However, if the **CLICK Programming Software** is permanently installed on the hard disk or other storage device of a computer (other than a network server) and one person uses that computer more than 80% of the time it is in use, then that person may also use the **Software** on a single portable computer or a single computer at home.

2. **COPYRIGHT.** The **Software** is owned by **AutomationDirect.com** or its suppliers and is protected by United States copyright laws and international treaty provisions. You shall not remove or alter, or permit any person to remove or alter, any of the copyright or other notices of **AutomationDirect.com** or its suppliers on, stated in or affixed to the **Software** or any of the documentation, or on any diskettes, covers or other packaging containing **Software** or the documentation.

3. **RESTRICTIONS.** You acknowledge that the **Software** and the related documentation delivered to you are and shall remain the property of **AutomationDirect.com** or its suppliers. You may not, and you may not permit others to (a) reverse engineer, decompile, decode, decrypt, disassemble, or in any way derive source code from, the **Software**; (b) modify, distribute, or create derivative works of the **Software**; (c) copy (other than one back-up copy), distribute, publicly display, transmit, sell, rent, lease or otherwise exploit the Software.

4. **LIMITED WARRANTY. AutomationDirect.com** warrants that the **Software** will perform substantially in accordance with the written materials accompanying the **Software** for a period of ninety (90) days from the date of receipt. EXCEPT AS PROVIDED ABOVE, **AUTOMATIONDIRECT.COM** MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, NATURE OR DESCRIPTION, EXPRESS OR IMPLIED, WITH RESPECT TO THE **SOFTWARE** OR ANY RELATED WRITTEN MATERIALS, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, AND **AUTOMATIONDIRECT.COM** HEREBY DISCLAIMS THE SAME. This **Limited Warranty** is void if failure of the **Software** results from accident, abuse, or misapplication or failure to use the **Software** in accordance with its documentation.

5. **CUSTOMER REMEDIES. AutomationDirect.com's** entire liability and your exclusive remedy shall be, at **AutomationDirect.com's** option, either refund of the price paid for the defective **Software**, or repair or replacement of the defective **Software**, in each case upon return to **AutomationDirect.com** during the warranty period. You must return the defective **Software** product to **AutomationDirect.com** with a copy of your purchase receipt. Any replacement **Software** will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer.

6. **LIMITATION ON LIABILITY.** In no event shall **AutomationDirect.com** be liable, whether in contract or in tort, or under any other legal theory (including, without limitation, negligence), for any indirect, special, consequential or incidental damages arising out of or in connection with the **Software** or any documentation, including, without limitation, lost profits or revenues, loss of data or business information, costs for recreating lost data, business interruption, costs for replacement programs, or any similar damages, or for any claim made against you by any other party, even if **AutomationDirect.com** has been advised of the possibility of such claim. In no event will the liability of **AutomationDirect.com** for any **Software** exceed the price paid by you for the defective **Software** product.

7. **NO TRANSFER.** You may not rent or lease the **Software**, but you may transfer your rights under each copy of the **Software** products on a permanent basis with the prior written consent of **AutomationDirect.com**, provided that you transfer this **Agreement**, the **Software**, and all accompanying written materials and retain no copies on any computer or other form of media. Any transfer of the **Software** must include the most recent update and all prior released versions. Any transfer requires that you provide written notification to **AutomationDirect.com** prior to the transfer, the prior written consent of **AutomationDirect.com**, and the recipient's agreement in writing to abide by the terms contained in this **Agreement**. **AutomationDirect.com** reserves the right to reject the transfer if it is not in the best interest of **AutomationDirect.com**, its customers or authorized resellers.

8. **TERM AND TERMINATION.** This **Agreement** and the licenses granted in this **Agreement** are effective until terminated. You may terminate this **Agreement** at any time by notifying **AutomationDirect.com**, returning the **Software** and related documentation, and destroying all copies. This **Agreement** will also terminate upon your failure to comply with any of its terms, in which event you must return the **Software** and the written materials to **AutomationDirect.com** and destroy all copies.

Any use, modification, reproduction, release, performance, display or disclosure of the Software and accompanying documentation by the United States Government shall be governed solely by the terms of this Agreement and shall be prohibited except to the extent expressly permitted by the terms of this Agreement.

10. **MISCELLANEOUS.** No failure or delay to exercise any right or remedy under this **Agreement** shall operate as a waiver, and a single or partial exercise of any right or remedy will not preclude the further exercise of such right or remedy or any other right or remedy. This **Agreement** supercedes any other oral or written agreement between you and AutomationDirect.com. This Agreement shall be construed and enforced in accordance with the laws of the State of Georgia, without regard to its rules regarding conflicts of law.
