REACH - RoHS DECLARATION OF CONFORMITY

SUBJECT:

- Declaration in compliance with Article 33 of European Regulation No. 1907/2006 of 18/12/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), establishing a European Chemicals Agency, amending Directive 1999/45/EC, and repealing Council Regulation (EEC) No. 793/93 and Commission Regulation (EC) No. 1488/94, as well as Council Directive 76/769/EEC and Commission Directives 91/155/EEC, 93/67/EEC, 93/105/EC and 2000/21/EC;

- Declaration in compliance with Directive 2011/65/EU of the European Parliament and of the Council of 08/06/2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (EEE), known as RoHS (Restriction of Hazardous Substances), and its subsequent amendment Directive (EU) 2015/863 of 31/03/2015.

Dear customer,

the safe use of our products and systems and the protection of the environment have always been fundamental values for Duplomatic MS S.p.A.. For this reason, our company supports the aims and objectives of the current regulations and directives mentioned above.

Duplomatic MS S.p.A. hereby declares that its products placed on the market are in compliance with European Directive 2011/65/EU (RoHS Directive, including all subsequent amendments).

Herewith we would like to meet our obligations, according to Article 7 and Article 33 of the aforementioned Regulation, declaring the following:

1. Duplomatic MS S.p.A. is a manufacturer of articles that in any normal or reasonably foreseeable condition can release SVHC (Substance of Very High Concern) neither to humans nor to the environment.
2. Starting from June 2018 metallic lead has been added to the SVHC Candidate List. We therefore inform you that some of the products we supply to you may have mechanical parts having a lead content above the threshold of 0.1% mass based.
 - **Substance:** metallic lead CAS 7439-92-1
 - **Involved materials:** free machining steel, brass, filler metals for soldering.

Those materials can be contained in the following products:

- solenoid valves and hydraulic valves,
- pumps and motors,
- hydraulic and electric actuators or cylinders,
- electronic cards and proportional valves.
- chillers, coolers, temperature control units, heat exchangers, and related products

This declaration is issued under the sole responsibility of the declarant.

We remain at your disposal for any further information.
