ROHS REACH statement

ROHS

We confirm that we strictly follow the EU directive 2011/65/EU with its amendments (amongst others the directive 2015/863/EU) and that these correspond to the current requirements..
We manufacture and supply only ROHS compliant products, without exemption.

REACH

In accordance with Regulation (EC) No 1907/2006 ("REACH"), which entered into force on 01.06.2007, concerning the registration, evaluation, authorization and restriction of chemical substances, we hereby declare:

- **PETER electronic GmbH & Co. KG is a downstream user.**

We as „downstream user“ do not have the obligation to register substances.
Our devices are not intended to release a regulated substance under normal or reasonably foreseeable conditions of use. According to our knowledge, based on the information of our suppliers, our products as well as the packaging do not contain substances of annex XVII of the above mentioned regulation. No substances of the SHVC candidate list with the latest version are contained with over 0.1 mass percentage.

If we receive any other information from our suppliers concerning this matter, we will update and publish this document.

This certificate does not constitute a guarantee in the legal sense, as it is defined by law, in particular in § 443, § 444, or § 639 of the German Civil Code (BGB).

Best regards
PETER electronic GmbH Co KG
