meet **Directive 2011/65/EU (RoHS2) also 2015/863/EU (Commission Delegated Directive of 31 March 2015 amending Annex II to Directive 2011/65/EU of the European Parliament and of the Council as regards the list of restricted substances)**, as certified by our suppliers, any substances within current acceptable amounts allowed per European Union.

Applications exempted from the restriction in article 4(1) do not meet.

The presence of ubiquitous traces of undesirable materials cannot be excluded, however.

This statement is based on our current standard of knowledge.

Because igus® has no influence on the use of the products indicated above, igus® does not assume any guarantee, neither expressly nor implied, or warranty or any other liability in connection with the use of information contained in this document.

Yours sincerely
