

## RoHS Declaration of Conformity

As a manufacturer of digital, analog & electro-mechanical products, we hereby certify with the current knowledge that all our products Spares as mentioned in below table are RoHS compliant and fulfill the requirements and restrictions defined by

| Spare Codes    | Description                |
|----------------|----------------------------|
| SPAR-SA00-0899 | SMARTLOOK 212 PANEL GASKET |
| SPAR-SA00-0900 | SMARTLOOK 312 PANEL GASKET |
| SPAR-SA00-2330 | CONTENDER 212 PANEL GASKET |
| SPAR-SA00-2331 | CONTENDER 312 PANEL GASKET |
| SPAR-SA00-2337 | CT MOUNTING KIT 19SHT      |

- Directive **2011/65/EU** of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment
- And the Commission Delegated Directive **(EU) 2015/863** and Directive **(EU) 2017/2102** of the European Parliament and of the Council, amending to Directive 2011/65/EU as regards to the list of restricted substances. The presence of hazardous substances in each homogeneous material does not exceed the permitted level as required by the RoHS Directive as stated below:

| Substance                             | Limit (% by weight per homogeneous material) |
|---------------------------------------|--|
| Cadmium (Cd)                          | < 0.01%                                      |
| Lead (Pb)                             | < 0.1%                                       |
| Mercury (Hg)                          | < 0.1%                                       |
| Hexavalent chromium (Cr VI)           | < 0.1%                                       |
| Polybrominated Biphenyls (PBB)        | < 0.1%                                       |
| Polybrominated Diphenyl Ethers (PBDE) | < 0.1%                                       |
| Bis(2-ethylhexyl) phthalate (DEHP)    | < 0.1%                                       |
| Butyl Benzyl phthalate (BBP)          | < 0.1%                                       |
| Dibutyl phthalate (DBP)               | < 0.1%                                       |
| Diisobutyl phthalate (DIBP)           | < 0.1%                                       |

According to the current knowledge, we can make the following statements with our suppliers and manufacturers according to the present clarifications:

“No proportions of the above mentioned substances exceed the limits stated in the RoHS Compliance in our products as mentioned in below table and in the products of our partners.”
