Rietheim-Weilheim, 26.08.2021

**Declaration by WERMA Signaltechnik GmbH + Co. KG regarding the EU directive 2011/65/EU  
"Restriction of the use of hazardous substances in electrical and electronic equipment" and its  
amendment (EU)2015/863**

Dear sir or madam,

WERMA Signaltechnik GmbH + Co. KG hereby confirms that all of our products comply with the EU directive 2011/65/EU (known as RoHS 2) and its amendment (EU) 2015/863 (RoHS 3).

Depending on the type of product, different exemptions apply which are mainly claimed by our suppliers and communicated to us:

- Annex 3, 6a-I (Lead as an alloying element in steel for machining purposes ; max. 0,35%)
- Annex 3, 6b-II (Lead as an alloying element in aluminum for machining purposes ; max. 0,4%)
- Annex 3, 6c (Lead in copper alloys; max. 4%)
- Annex 3, 7a (Lead in high melting temperature type solders; > 85%)
- Annex 3, 7c-I (Electrical and electronic components containing lead in a glass or ceramic)

For **product specific declarations** please contact your (local) sales contact, send your inquiry directly to [materialcompliance@werma.com](mailto:materialcompliance@werma.com) or send us a request via [www.BOMcheck.net](http://www.BOMcheck.net).

All specifications represent WERMA's current state of knowledge and are reviewed by us regularly inquiring our suppliers.

Yours faithfully,

WERMA Signaltechnik GmbH + Co. KG

Matthias Marquardt  
CEO
