

Declaration of Compliance RoHS 2011/65/EU and (EU) 2015/863

Report generated: 21. November 2025

Weidmüller hereby certifies that the material numbers below are in compliance with the European Union Directive, 2011/65/EU on the Restriction of the use of certain Hazardous Substances in electrical and electronic equipment. The RoHS 2011/65/EU Directive prohibits the use of mercury, cadmium, hexavalent chromium, lead, PBB and PBDE in electrical and electronic products above a maximum concentration in homogenous material. The amendment (EU) 2015/863 added DEHP, BBP, DBP and DIBP to Annex II of the regulated substances. Certain exemptions are allowed, these exemptions are defined in Annex III of the Directive.
