

Product Advisory

Product Family:	ASO Safety Mats with Tapered Edge	Number:	PA-SPE-005
Part Numbers:	1602-4xxx	Date Issued:	06/18/21
Subject:	Change in ramp dimension for safety contact mats with tapered edge.	Revision:	Original

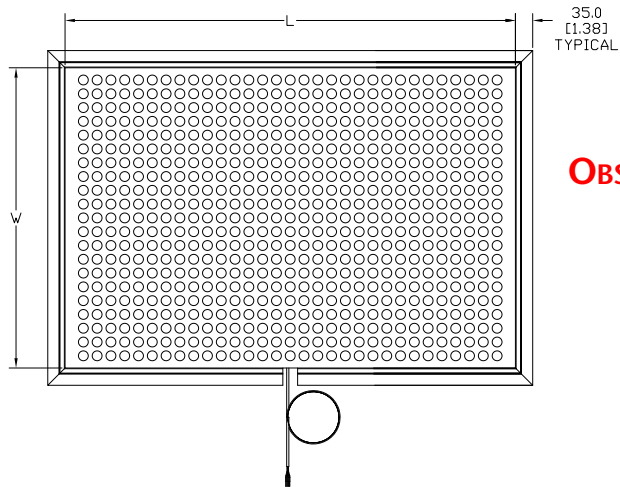

Description of Change

The dimension of the tapered edge of the ASO Safety Mats are changing from 35mm to 30mm. Since the nominal dimension of the mat usually corresponds to the sensor area, this change has no effect on the order size.

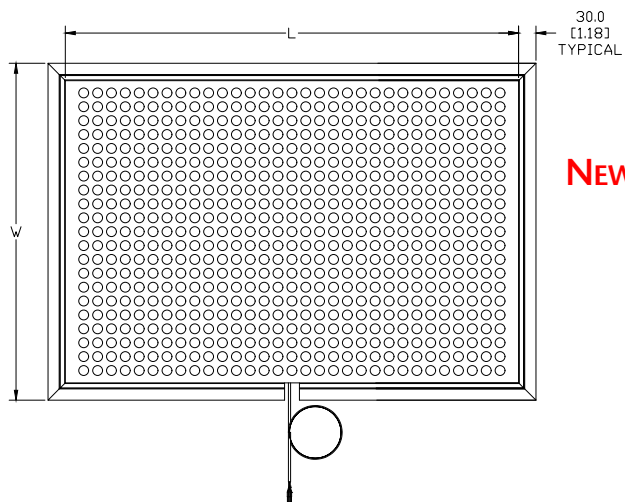

The drawing below shows the dimensions for both models.
