Software Licensing   January, 2001

1. OWNERSHIP

The Software is the property of the Licensor and protected by U.S.

Copyright Law, Trademark Law and International Treaty Provisions. No

ownership in or title to the Software is transferred to Licensee.

Licensee will not remove or obscure the Licensor's copyright, trademark

or proprietary notice from the Software and associated documentation.

Licensee agrees to prevent any unauthorized copying of the Software.

Except as expressly provided herein, Licensor does not grant any express

or implied right to Licensee under Licensor's patents, copyrights,

trademarks or trade secret information. This software runs in

coordination with firmware embedded into the Licensor's hardware

products. This firmware is agreed to be part of this Licensed Software.

It is further agreed that the designs of the Licensor's hardware products

are the proprietary property of the Licensor.

2. LICENSE

The author grants you, the "Licensee" a license to use this software only

after you have completed the required registration and if you agree to

the terms of this agreement and any restrictions of the registration you

have obtained. No ownership in or title to the software is transferred to

Licensee. This license is non-exclusive. This license is non-transferable

except if in accordance with an OEM agreement with the Licensor. Licensee

is authorized to make only those copies of this software that are

required to use it in accordance with license granted and those copies

required for backup or archival purposes. Licensee agrees to prevent any

unauthorized copying of the software or any registration number provided.

3. RESTRICTIONS

Except as set forth herein, the Licensee may not copy, sell, transfer, loan, rent, lease, modify, create derivative works or alter the Products, without the express written consent of the Licensor. Licensee may not reverse engineer, decompile or disassemble the products or otherwise attempt to derive source code from the Licensed Software.

4. NO WARRANTY

Licensor makes no warranties whatsoever with respect to the SOFTWARE, including but not limited to implied warranties of merchantibility OR fitness for particular purpose. All such warranties are hereby expressly disclaimed. No oral or written information or advice given by the Licensor or the Licensor's representative shall create a warranty or in any way increase the scope of this warranty.

5. LIMITATION OF LIABILITY

Under no circumstances including negligence shall Licensor be liable for any incidental, special or consequential damages that result from the use or inability to use the Products, even if the Licensor is advised of the possibility of such damages. Licensor shall make a reasonable effort to resolve any problems the Licensee may have in its use of the products. In no event shall Licensor's total liability to Licensee for any and all damages, losses or causes of action in contract, tort or otherwise exceed the amount paid by Licensee for the Software or Hardware Products that

are the basis of the claim.

6. HIGH RISK ACTIVITIES

Licensee acknowledges that the Licensed Software is not fault tolerant and is not designed, manufactured, or intended by Licensor for incorporation into products intended for use or resale in on-line control equipment in hazardous, dangerous to life, or potentially life-threatening environments requiring fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems. Licensor specifically disclaims any express or implied warranty of fitness for High Risk Activities. Licensee specifically represents and warrants that this Software or Derivative Work will not be used for High Risk Activities.

7. INDEMNIFICATION

Licensee agrees to indemnify, defend and hold harmless the Licensor from any and all liability, penalties, losses, damages, costs, expenses, attorneys' fees, causes of action or claims caused by or resulting directly or indirectly from Licensee's use, sale or distribution of the Software which damages either Licensee, the Licensor or any other party or parties without limitation or exception. This indemnification and hold harmless agreement extends to all issues associated with the Software, or this License.

8. TERMINATION

This Agreement is effective until terminated. This License will terminate immediately without notice by the Licensor if Licensee fails to comply with any provision of this License or any other Agreement that exists between the parties. Upon termination of this Agreement, any and all use, sale or distribution of the software by Licensee must cease immediately and the Licensee must destroy all copies of this software and all associated documentation. If the licensed software is purchased through an intermediary, the Licensor of this software is an intended third party beneficiary of that transaction and is entitled to enforce it in its own name directly against the Licensee.

9. GOVERNING LAW

This License shall be governed in all respects by the courts, jurisdiction and laws of the State of New York. Licensee may not export the Software or materials in violation of applicable export laws and regulations. If for any reason a court of competent jurisdiction finds any provision of this License or portion thereof, to be unenforceable, the provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and the remainder of this Certificate shall continue in full force and effect.
